Math fact fluency – problem solved!

Summer Tips for Success with Reflex!

Dear Parents/Guardians,

Help your child avoid the "summer slide" and encourage them to use their Reflex account this summer! Reflex is an adaptive and individualized program that continuously monitors each student's performance to create the optimal experience for every child. Reflex is a game-based program that helps students build fast and effortless recall of math facts. Research has shown that quick recall of math facts is critical for future success in mathematics.

Summer Tips for Success

- **Student Login is via M-DCPS Portal**
  - ➢ Select the Reflex App Icon. **R**
  - ➢ Students will be taken directly into their accounts. No username or password required.

- Students are encouraged to login to *Reflex* math through their student portal at least <u>3 times</u> a week and strive for the "**green light**" each time.

- Your child can utilize the *Reflex* math program from any device with internet access throughout the summer, including smartphones.

- *Reflex* helps students of all ability levels to develop fluency with their basic facts in addition, subtraction, multiplication and division.

- *Reflex* continuously monitors your child's performance to create an optimal experience for them.

- Encourage your child(ren) to participate in the ***M-DCPS Reflex Summer Math Challenge***. No special registration required. Just login as usual, *Get the Green Light*, and have fun throughout the summer.

Have a wonderful & safe summer!
