Before/After School Care Program & Middle School Enrichment After School Program

For those parents considering going back to work and/or are presently working, Miami-Dade County Public Schools will offer 160 After School programs on school days. M-DCPS offers 112 low-cost Before and After School Care programs that serve Elementary, K-8 Center, and select Middle School students. Additionally, M-DCPS offers 48 Middle School Enrichment After School programs that help tutor middle school students throughout Miami-Dade County. Each of these programs are staffed with state certified instructors, program managers, or activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve.

After school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts but are only offered as needed. Parents should check with their child's school for specific program start times.

All after school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Before-school care programs provide supervised, quiet activities for students. Additionally, over 40 school sites offer Community Enrichment programs with classes such as music, ceramics, chess, drama and others designed to provide participants with a variety of educational enrichment experiences.

The cost of M-DCPS principal-operated after school care programs is \$60 per week per student (or \$55 per week per student - discounted rate for sibling and/or free/reduced lunch qualifying students). The cost of before school care is \$30 per week. Any outside agency providers approved to offer full after school care programs at M-DCPS school sites must match M-DCPS pricing.

Code of Student Conduct

The School Board of Miami-Dade County, Florida, approved The Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community.

A major consideration in the application of the COSC is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

The COSC addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events,

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

Principals are authorized to take administrative action whenever a student's off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property, or when the student's off-campus conduct has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

Students or parents having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District.

The Code of Student Conduct can be accessed by going to the following website: codeofconduct.dadeschools.net If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct.

Please take the time to review and discuss the importance of the *Code of Student Conduct* with your child or children. After reviewing the *Code of Student Conduct*, you and your child/children must sign, date, and return the *accompanied* Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

Safety and Security

- **Emergency Drills**

Six emergency drills, to include active shooter, hostage situations, bomb threats, and other potential emergencies will take place during the school year in accordance with Florida Administrative Code 6A-1.0018(15). All occupants of a building where an emergency drill is held are required to participate. The first emergency drill must take place within the first 10 days of the opening of schools, whereas all remaining drills must occur at least every 45 days that school is in session. All emergency drills shall be conducted in accordance with the appropriate corresponding situational response as outlined in the EOP and shall include developmentally appropriate and age-appropriate procedures.

- **Emergency Operations Plan**

Student and employee safety is an utmost priority of the Miami-Dade County Public School (M-DCPS) System. The District Emergency Operations Plan (EOP) was created to provide District staff, school administration and personnel with the knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, and bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary, the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- Students will not be released during a lockdown. If you need to pick up your child wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors, and all MDSPD Police officers have been trained on the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

The SRP is a set of five actions using clear common language that everyone in our school, including students and staff, follow in case of an emergency or critical incident. In addition, parents/guardians can also access the SRP flyer in the parent portal.

Schools must establish School-Based Threat Management Teams comprised of an administrator, counselor, teacher, and law enforcement officer. The schools utilize a problem-solving approach to harm prevention that involves assessment and intervention with students who threaten violence or harm. When a preliminary determination is made, that a student poses a threat of violence the team shall further convene to determine the best course of action. Authorized members of the team may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services as applicable. Threat management and disciplinary procedures are separate processes. Regardless of whether a threat is determined to low medium and high, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Student Records

The education records and personally identifiable information of students are protected by [The Family Educational Rights and Privacy Act \(FERPA\)](#) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian, or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in [School Board Policy 8330](#).

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

STANDARD RESPONSE PROTOCOL

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

"Get Inside. Lock outside doors"

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

"Locks, Lights, Out of Sight"

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it is a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the "Muscle Memory" associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.
